**Subject:** 20220206 1100 Meeting Update

Hi Rob,

Here is the update after the 1100 meeting

**RPS**

Last night relatively quiet  
24 tickets issued to vehicles that were left  
School bus showed up for use as a warmup shack  
RPS members spoke with protestors.  
Sounds like several protestors leaving to go back to work  
RPS has a plan in place to move in with crowd control and traffic after supper  
4 heavy haulers to be there to tow vehicles  
Will start moving out after supper  
Peaceful so far but that may change when enforcement moves in

**GR**

Looking for perspective of continuation.  
Looking for recommendations for access for employees.  
Assessment of continuation of risk around pulling down the barricades

**PCC CSO**

Barriers still being manned.  
CSO out last night  
Relatively quiet  
Looking at resource needs going forward  
RPS assisting until 0900 Monday  
Reached out to SHP MOE and CPSS for resources going forward

**CPSS**

Will have to wait for decision on what the security looks like going forward  
SCAN only have authority under SCAN Act, WP Act, CF Act so they have no more authority than a commissionaire if at a barricade  
Appointment is currently in for review and authorization to expand authorities

**MOE**

Very quiet  
Wayne will be able to provide additional resources if necessary

**Sask Builds**

Employees still concerned about how to get to work tomorrow or if they are coming to work  
Looking for decision how long barricades are going to be up  
Reassess this afternoon

### **Legislature Security**

1400 stakeholders meeting (Speaker, cabinet, opposition, Exec Council)  
Recommends we wait until after Monday to see if we move barricades  
Told employees to come through Hill Ave with employee ID ready  
LAS working from home  
Opposition working from home  
Reassess tomorrow to see if building remains closed

### **GR Communications**

On site.  
Nothing new for media  
Nothing new on protest  
Media covering Frost Festival  
Can coordinate communications for employees  
Can consider new news release (People planning to visit area)  
i.e. can advise barricades are being extended past February 6)

### **SHP**

SHP provided three on Friday night.  
If needed to bolster barricade presence, they can find some if necessary  
SHP can assist Monday morning after 0900

### **Discussion on Long Term Planning**

Daryl put together a schedule going forward. Need 5 resources for each 12-hour period (10 total)  
SPSA staff could assist with traffic control or barricades, none have peace officer status, have vehicles/signs  
Andy and Wayne to communicate with Daryl on resources after Monday 0900 when RPS leaves.

### **CRITICAL DISCUSSION ITEMS FOR 1700**

Barricades staying after Monday??  
Resources for barricades after Monday  
Communications with Staff on Monday return to work

### **Next meeting**

Sunday 20220205 1700
